

SSBS PVT LTD

Category Name : Filter Housings

Product Name : Hygienic Filter Housing

Product Picture :

About the Company : "SSBS SPRINT" enjoys the leading status and reputation of supplying Quality water filtration products, STP products, FRP/GRP and Thermoplastics Lined & Composites products in India. SSBS SPRINT has wide experience and its pioneering efforts in manufacturing process of the composite products. SSBS SPRINT has had the pleasure of satisfying the needs of the industry with the complete range of composites viz.FRP, GRP, FRP-HT (High Temperature) and Thermoplastics like PP, PPH, PVC, CPVC, PVDF, ECTFE, FEP and PFA Lined FRP Equipment and Piping Systems.

SSBS SPRINT has wide experience of understanding and delivering the products as per requirements of Heavy Chemicals, Pharmaceutical, Petro-Chemicals, Refineries, Fertilizers, Agro-chemicals, Bulk Drugs, Power Generation, Steel, Paper and Pulp, Chlor-Alkalies-Caustic, Viscose Fibre Industries and

Technical Specification :

SSBS Sprint Brand Hygienic Filter Housing systems

Material of Construction	SS 316L (stainless steel SS 316 L)
Connections	Hygienic clamp type
Surface treatment	Mirror polished & electropolished
Cartridge fitting	222 O' ring / 226 O' Ring (bayonet fit)
Maximum operating pressure	7 BARG (102 psig)
Housing closure seal	EPDM / silicone O' Ring for single cartridge EPDM / silicone square O' Ring for multi cartridge

<p>many more.</p> <p><u>QUALITY APPROACH:</u></p> <p>We at “SSBS SPRINT” (SSBS) are committed to meet our customers’ requirements for their entire satisfaction.</p> <p>To achieve our goal we shall continuously improve our work performance, train our persons, & improve our Quality Management System. Since SSBS is an industry wherein moulder prepares raw material as well as finished products, quality testing is very stringent since it affects the final products. “SSBS” has carry out testing of raw materials, stage wise inspection and on finished products to ensure the quality product</p>	
<p>Brief About the Product: SSBS Sprint Brand Hygienic Filter Housing systems is manufactured from 316 stainless steel of the highest quality. SSBS Sprint Brand Hygienic Filter Housing systems are suitable for a variety of liquid filtration applications designed to fit standard 222 O’ Rings & 226 O’ Ring cartridges. Contaminated fluid enters the housing and is distributed evenly around the filter cartridges. Filtration takes place from outside to inside. Solids are collected on the outside of filter cartridges & clear filtrate is collected at outlet. SSBS Sprint Brand Hygienic Filter Housing systems have an integral bayonet locator providing an efficient seal between housing and cartridge. Depending on their type hygienic filter housing is available in 1, 3, 5 and 12 round configurations and in 10”, 20”, 30” and 40” length cartridge. Its hygienic design ensures low product hold up & reduces product loss.</p>	<p>Sizes Available:</p> <ul style="list-style-type: none"> SSBS Sprint Brand Hygienic Filter Housing systems is available for Length of Filter Cartridge – 10”, 20”, 30” and 40”
<p>Material Composition : They are made of following material such as -</p> <ul style="list-style-type: none"> SS 316L (stainless steel SS 316 L) 	<p>Application : SSBS Sprint Brand Hygienic Filter Housing systems widely used in</p> <ul style="list-style-type: none"> Food Dairy Beverage Electronics and Pharmaceutical Industries <p>They are 100% strict quality control, durable, factory price.</p>
